MEMORANDUM FOR COMMANDERS, MAJOR SUBORDINATE COMMANDS, ATTN:
DIRECTORS OF ENGINEERING AND TECHNICAL SERVICES

SUBJECT: Sustainable Design and Development Training

1. Recent EXECUTIVE ORDERS, and DoD, Army and USACE policy require us to incorporate concept and principles of Sustainable Design and Development in military facilities. Sustainable Design and Development is the systematic consideration of current and future impacts of our decisions on the environment, energy use, natural resources, the economy and quality of life.
2. A tri-service group has developed a training workshop for DoD personnel in implementing sustainable design. HQUSACE personnel will conduct 3 day workshops at the Districts listed below. Other Districts are encouraged to attend seminars at these Districts and to advise my POC should they desire to do so. These workshops will take place between mid July and mid November this year. Each workshop will be for about 35 people. Districts will be requested to host these workshops, assist in preparation and logistics and invite installations they support.
3. In order to facilitate scheduling these workshops and to coordinate HQ efforts, it is requested that you provide us with a point of contact at each of the Districts listed below by 09 June 00. My POCs are Mr. Harry Goradia (202) 761-8622 and Mr. Dave Bohl (202) 761-1497.

SELECTED DISTRICTS TO CONDUCT SUSTAINABLE DESIGN WORKSHOP

Louisville District, Baltimore District, New York District, Norfolk District, Kansas City District, Seattle District, Mobile District, Savannah District, Albuquerque District, Sacramento District, Fort Worth District, Omaha District and Tulsa District.

FOR THE COMMANDER:

DWIGHT A. BERANEK, P.E.
Chief, Engineering and Construction Division
for Military Programs
